HEPATITIS AUSTRALIA	Contribution to support Hepatitis Australia's World Hepatitis Day (WHD) consumer awareness campaign including to update the WHD website with a range of downloadable digital posters and graphics for use on social media platforms. The development and implementation of a social media campaign and the support and promotion of a number of local community events.	15,000.00 AUD
HEPATITIS AUSTRALIA	Support of Hepatitis Australia's Culturally and Linguistically Diverse (CALD) media initiative. The initiative included the development of a range of communication initiatives to support an increased awareness around hepatitis B and hepatitis C risk factors and to promote testing in CALD communities.	30,000.00 AUD
HEPATITIS NSW	Support of the 'Postcards from Prison' project. This project is a hep C health promotion campaign which aims to increase awareness of hep C prevention, testing and cure among people within the criminal justice system. Funding support included the cost of A6 postcard sheets, packs of coloured pencils, plastic document pouches and brochures.	14,000.00 AUD
HEPATITIS QLD	Support for the Fibroscan In-Reach (FIR) Project at Woodford Correctional Center. The FIR project offers clinical fibroscan services, including the provision of a trained/accredited fibroscan operator, to assist in liver fibrosis assessment prior to HCV treatment of detainees at the Woodford Correctional Centre. Additionally, the project provides education and training to clinical and non-clinical staff at Woodford Correctional Centre including in the use and interpretation of the fibroscan and through providing targeted workforce development and best practice resources and guidelines to support onsite testing and treatment.	24,150.00 AUD
HEPATITIS QLD	Support for Hepatitis Queensland's to put on the HEAT (Hepatitis C Elimination Action Team) on Queenslanders through an innovative targeted digital messaging campaign. Funding supported this campaign and the development of collateral that has the capacity to translate nationally.	15,000.00 AUD

HEPATITIS SOUTH AUSTRALIA	Support for Hepatitis SA's Priority Plus Project. The project aimed to enhance the HCV treatment information and education services provided to HCV priority populations in South Australia - specifically people who inject drugs; Aboriginal and Torres Strait Islanders, Vietnamese, Chinese; and people with a mental illness.	15,465.00 AUD
LEUKAEMIA FOUNDATION	Donation to support the Leukaemia Foundation's Light the Night community program. The Light the Night community program aims to provide emotional support to people across Australia who are affected by a blood cancer diagnosis, to let them know that they are not alone, and to raise funds that will provide support to them.	5,000.00 AUD
LYMPHOMA AUSTRALIA	Support for Lymphoma Australia's delivery of online webinars and filming sessions that focus on subtypes, treatments and survivorship education that is relevant to Lymphoma /CLL patients, as well as the updating of the "Living with CLL" book to ensure patients and health professionals are accessing the latest information.	30,000.00 AUD
MUSCULOSKETAL AUSTRALIA	Support for Musculoskeletal (MSK) Australia to further distribute and print the MSK Kids Rheum Record Resource Kit, a comprehensive resource with all the information parents, teachers and coaches need in one place. The funding will allow Musculoskeletal Australia to increase its partnerships with paediatric rheumatologists, professional organisations and other key stakeholders involved in this program.	15,000.00 AUD
PARKINSON'S NSW	Sponsorship of GP Forum on 17 August 2019 to provide education on Parkinson's disease to GPs in metropolitan Sydney. Titled "GP Education Forum: Understanding Parkinson's – Treatments and Research", the Forum aimed to provide information and education to GPs to enable them to understand the disease, provide knowledge about medications and treatments to ultimately assist in better outcomes for patients who have Parkinson's.	2,000.00 AUD
