

**Summary of Health Consumer Organisations supported by Medicines Australia Member Companies  
For the period: 1 January to 31 December 2020**

**Company: GlaxoSmithKline Australia Pty Ltd**

Name of Health Consumer Organisation	Description of and/or purpose of support	Nature of support (monetary value or equivalent) or description of non-financial support
Australian Patient Organisation Network	Grant provided to support the 2nd Annual Conference of the Australia Patient Organisation Network.	\$ 10,000.00
Pulmonary Hypertension Association of Australia	Grant provided in support of the development of a patient handbook and car stickers.	\$ 5,000.00
Pink Hope	Grant provided to Pink Hope to conduct 6 'EduEvening' events over 12 months	\$ 21,000.00
Pink Hope	Grant provided for promotion of events for women experiencing or at risk of breast and ovarian cancer to increase education, empowerment and inspiration.	\$ 10,000.00
The Meningitis Centre Australia	Grant provided to support participation by The Meningitis Centre Australia at national baby expos around Australia to reach parents and soon-to-be parents.	\$ 30,000.00
National Asthma Council	Co-Sponsorship of the next revision of the Asthma & COPD Medications Chart.	\$ 20,000.00
National Asthma Council	Grant provided to support the development, distribution and promotion of an information paper: Targeted Biological Therapies for Asthma.	\$ 22,500.00
Lung Foundation Australia	Grant to support Lung Foundation Australia's World COPD Day 2020 HCP Webinar	\$ 5,000.00
Lung Foundation Australia	Grant towards the reopening of the Lungs in Action program which was suspended during the COVID-19 pandemic. The program is supported by a comprehensive Roadmap to Recovery Framework which includes a new telehealth delivery model .	\$ 52,800.00
Lung Foundation Australia	Funding for the development and delivery of a health professional webinar to increase health professional knowledge on the types and timing of immunisations recommended for adults as per the National Immunisation Handbook and COPD-X Guidelines.	\$ 10,000.00

Lung Foundation Australia	Grant provided to Lung Foundation Australia for their peer support program: a regular webinar series (10 per year) targeting a range of self-management issues	\$ 15,000.00
Centre for Community Driven Research	Funding to run structured interviews to understand how citizens experience Universal Health Coverage (UHC) in their everyday lives. It is anticipated that the results of the program will provide insights into aspects of UHC that are implemented equitably and those that lead to inequity. Once these strengths and weaknesses are identified, they can then trace-back to the policies being implemented and discuss the positive and negative impact on UHC.	\$ 40,000.00
Asthma Australia	Grant provided for the 2020 update to the Asthma Australia Handbook, educating and empowering people with asthma and their carers.	\$ 50,000.00
Asthma Australia	Funding for a webinar series specifically targeting people with asthma and or their carers who identify as Aboriginal or Indigenous. The webinar series will be delivered in three parts for people to have access to useful, relevant information to help them best manage their asthma. This funding will ensure the webinars are free of charge for participants to attend	\$ 34,887.00
Asthma Australia	<b>Delivery of Emergency Department Discharge Protocol (EDP) project in Victoria.</b> The project aims to develop and implement an optimised and systematic discharge planning protocol for patients who have attended the Emergency Department for management of an acute asthma episode. Grant provided to Asthma Australia as part two of our support for their Emergency Discharge Protocol Project	\$ 75,000.00
Ovarian Cancer Australia	Funding to support the engagement of a consulting firm to undertake consumer research to understand the issues being felt by women with Ovarian Cancer. This will enable the development of a series of support resources.	\$ 60,000.00
Hepatitis Victoria	Grant provided to Hepatitis Victoria for their health literacy program. The grant was to help develop an online presence in order to improve reach in terms of developing and disseminating 4 different animations that were translated into multiple languages	\$ 31,862.00

Hepatitis Australia	Grant provided to support World Hepatitis Day activities	\$	20,000.00
