Hepatitis Victoria Inc.	Grant to support the Fit for Cure project which ultimately aims to produce a multi-lingual, location specific resource, in multiple formats (online and educational resources) about hepatitis C prevention and treatment. The project specifically targets people at risk of hepatitis C in Victoria due to Alcohol and Other Drugs (AOD) history. To ensure the maximum number of relevant people are reached, distribution would be through traditional AOD services including rehabs and Needle and Syringe Programs (NSP) services, as well as homelessness and other material aid services.	\$8,780
Rare Cancers Australia Ltd	Grant to support the National Oncology Alliance - Realising the rights and roles of cancer patients, report and CanForum launch event 2021. Rare Cancers Australia intends to prepare and publish a report detailing the necessary steps toward "Realising the rights and roles of patients in their cancer care". The report will be launched at the 2021 Canberra Forum and form the centre-piece of an extended social and traditional media campaign.	\$30,500
Snowdome Foundation Limited	IME Grant to support the Australasian Lymphoma Alliance (ALA) research programs further development of the ALA website including the "Members" area - a secure member only area for project sharing, educational updates, publications and the "Public" area for sharing details on completed projects and successes. The ALA is a collaborative alliance of Australian, New Zealand and Asian Pacific investigators who work together to develop research projects in lymphoma.	\$4,000
Bobby Goldsmith Foundation	Grant to support the Bobby Goldsmith Foundation's annual auction fundraiser. The BGF Auction is our largest fundraising event of 2021. We are expecting approximately 200 guests which will include dignitaries, high profile individuals and a diverse array of those in the community who are committed to our cause of supporting people living with HIV. Now in its 17th year, the auction annual fundraising event raises funds to help BGF support people living with HIV to thrive across NSW and SA.	\$15,000
