<p>ASM 2024 International Congress on Neuropsychiatry</p> <p>The International Neuropsychiatric Association (INA) together with The Royal Australian and New Zealand College of Psychiatrists (RANZCP) are pleased to invite your participation in the International Neuropsychiatric Association 2024 Congress (INA 2024). The Congress will be held over three days at the Melbourne Convention and Exhibition Centre, Australia, from Sunday 27 to Tuesday 29 October 2024. A pre-Congress Functional Neurological Disorders (FND) Symposium will also be held on Saturday 26 October focusing on, contemporary developments in FND translational research and clinical care. In addition to the engaging scientific program, the Congress will offer a Welcome Reception, optional Congress Dinner and exhibition of the latest related products and services. An outstanding array of invited speakers from across the globe will come together to lead discussions on the diverse spectrum of neuropsychiatry. Delegates will share knowledge and expertise, learn from the latest research and evidence and debate ideas. As we leave behind the storm of the last few years, we can think together about the unique role our profession has in improving the mental health of individuals, families, and communities in the future.</p> <p>Waldronsmith Management</p> <p>21 hours</p>	<p>Melbourne Convention Exhibition Centre</p>	<p>Specialist</p>	<p>Educational Meeting Gold Sponsorship</p>	<p>300</p>	<p>\$ 5,000.00</p>
