June 2025	Neuroimmunology Australia Incorporated	2025The Neuroimmunology Australia Workshops have been held annually since 2011, except in 2018 when we hosted the 14th International Congress of Neuroimmunology in Brisbane (BriSNI), and in 2020-22, when the pandemic forced us online. Neuroimmunology Australia is very pleased to announce that the 11th Workshop will take place on June 13 2025 in Brisbane, QLD. The aim of the Workshop is to provide a venue to present and discuss all aspects of work relating to neuroimmunology. The Neuroimmunology Australia Workshop will take place in the Centre for Clinical Research, collaborative initiative between the University of Queensland and the Royal Brisbane and Women's Hospital, Queensland's largest teaching and research hospital that will favour the interface between science and clinic.	8.0	Brisbane	50.0	Gold Contribution of \$ 4,000 and over -Presentation of company name as official sponsor of the workshop;-Company name / logo on the NIA Workshop website (http://www.neuroimmunologyaustralia.org.au);-Exhibition space;-Two complimentary workshop registrations;-Two complimentary exhibitor registrations.	\$4,400.00
November 2025	Adventist HealthCare Limited	Adventist Healthcare is committed to providing high quality education to healthcare professionals within their organisation and to those in the wider community. San Education, as part of Adventist HealthCare on the Sydney Adventist Hospital campus, hosts a wide range of workshops and conferences annually. Their annual face-to-face conference programs showcase expert speakers and provide opportunities for sponsors to connect with healthcare professionals. SAN Conferences also provide an essential avenue for doctors, nurses, allied healthcare professionals, and students to learn and network.	8.0	Clinical Education Centre - Sydney Adventist Hospital	230.0	Conferences hosted by Adventist HealthCare typically attract internal and external delegates including Nurse Clinicians, Nursing Leaders, GPs, Allied Health professionals, Specialists, and students. Sponsors and exhibitors from previous conferences rate their experience highly for areas such as service, promotion, and product exposure. Adventist program design offers the opportunity for sponsors to engage with delegates throughout the entire day. Silver sponsorship package provides: - Guaranteed location in conference break-out room. - One (1) trade table display at the event for company branding, information, and merchandise. - Inclusion of your company logo and link to your website on all advertising communications, brochures, and posters. - Complimentary attendance for one (1) trade representatives, including lunch and refreshments.	\$2,750.00

November 2025	GI Cancer Trials	It is with great pleasure that we invite you to support the 27th Annual Scientific Meeting (ASM) of the Australasian Gastro-Intestinal Trials Group (AGITG). The 27th AGITG ASM will be held on the lands of the Kurna people in Tarrantaya Adelaide from 24-27 November 2025. Since 1991, the AGITG has been the only research organisation in the Australasian region with a focus on all gastro-intestinal (GI) cancers. The ASM is a major highlight of the year valued by our members. The Meeting provides an opportunity for increased involvement in the scientific activities of the AGITG and encourages subsequent ongoing participation in the group's research. The 2025 Meeting will enable greater collaboration across our already diverse membership, with specific sessions enabling members to share their knowledge on areas of interest. The Meeting will also focus on partnerships across all areas of our research, including our growing engagement with Aboriginal and Torres Strait Islander communities to	32.0	Adelaide	350.0	Supporting the AGITG ASM provides an opportunity for your organisation to be at the forefront of industry and engage with key opinion leaders in GI cancer research and treatment. As a Meeting sponsor, you will have the chance to enhance your organisation's reputation as an industry supporter and demonstrate your commitment to education excellence. Your representatives will have the opportunity to network with delegates to improve their knowledge and understanding of your products in an environment where delegates are open to listening and learning. The AGITG 27th ASM will provide many long-lasting benefits including: Alignment and Commitment Sponsoring the AGITG ASM enables your company to show you have a genuine and ongoing commitment to the leading GI cancer research organisation in the region and enhance your organisation's reputation as an industry supporter. Brand and Product Awareness ASM sponsorship allows your company to showcase your products and/or services to key decision makers and develop new relationships with GI cancer experts. Face-to-Face Engagement Don't miss the opportunity to build strong business relationships in-person with the hundreds of specialists in attendance at the AGITG ASM. The ability to meet face-to-face and talk in a relaxed environment over lunch or at a networking function, can be a game changer in building positive new customer	\$30,679.00

June 2025	CNSA	The 2025 Annual Congress is a collaborative event between the Cancer Nurses Society of Australia (CNSA) and the International Society of Nurses in Cancer Care (ISNCC) focussed on the theme of "Global Voices, Local Actions: From Inspiration to Implementation". We are privileged to partner with ISNCC for this landmark event and are expecting close to 1,000 cancer nurses from around the world to join us here in Australia. Following a successful event in 2024 centred on "Innovative Quality Care in a Digital Era", we will be returning to the Adelaide Convention Centre for this combined international Congress. In this era of global connectivity, we see the Congress as a way of showcasing the important role of cancer nurses across the world – and providing a forum to share the nurse-led innovations and interventions that can be implemented in local healthcare settings. Your sponsorship not only aligns you with cutting-edge international healthcare advancements but also positions you as a l	32.0	Adelaide	80.0	<ul style="list-style-type: none"> - 1 x exhibition booth in a prime position (subject to availability at the time of booking) - Receive 25% discount off one support add-on - Logo and 150 word profile in the Congress delegate handbook - Company logo acknowledging Congress Partnership on the Congress website with a link to your company website - Sponsor name, logo, and booth location listed on the Congress App - 3 x complimentary exhibitor registrations including the Welcome Reception - Logo placement on the following items " Congress website, Congress signage at venue, Congress delegate handbook, Congress thank you to supporter slide - 1 x digital satchel insert on the Congress App (sponsor to provide a PDF of the satchel insert) - 1 x copy of Congress delegate list (subject to privacy) 	\$22,000.00

July 2025	MS Society of New Zealand Inc	<p>Annually MSNZ organises our Community Advisor Meeting to support the ongoing education of regional staff who support people with multiple sclerosis (MS) and their families in their local communities. The training gives opportunities for the Community Advisors to collaborate, share ideas and support each other, most of who work in isolation. It is important for Community Advisors to keep up the education on the condition and associated symptom management. In August 2024 we employed Rachael Hoffman, Clinical Nurse Specialist at Rotorua Hospital, on a part-time basis as MSNZs Clinical Services Lead. Since joining MSNZ her work has taken her across the country meeting with Community Advisors to understand the needs of our member organisations and the unique environments in which they exist, and exploring how we can best support and enhance the ongoing professional development of Community Advisors. The Community Advisors have a range of experience, backgrounds, and exposure to specialist neurology services. The 2025 programme is a response to the feedback being received. Our 2025 event will look at "MS Across the Lifespan." We are currently engaging with speakers to cover topics including:</p> <ul style="list-style-type: none"> • The latest in diagnosis and treatment of MS (Dr Debbie Mason) • Understanding the role of Neurologists vs Primary Care in supporting people affected by MS • Working to develop a consistent approach to initial contacts • Supporting Community Advisor safe working in the community (self-care, safety, working in isolation and risk management) • MS and Menopause • Speech and Swallowing issues in MS (Speech and Language Therapist) • Complex case management: MS with ageing, frailty, dementia and cognitive impairment (Tony Lawson RN) <p>Additionally, in 2024, MS Brain Health's added NMOsD and MOGAD in the program.</p>	16.0	Christchurch Cathedral Square Novotel, Christchurch	32.0	<ul style="list-style-type: none"> • Attendance for 2 people at the CA Meeting (not including travel, accommodation or attendance at closed forum session on the morning of the 31st.
