November , 2025	North Shore Private Hospital	Focusing area in Neurology is Multiple Sclerosis (MS). Alemtuzumab is currently available for use for MS, and Sanofi has also established trial sites in Australia to collect phase 3 data for tolebrutinib and frexalimab, two therapies currently under investigation. Supporting this meeting will provide a valuable opportunity for Sanofi staff to meet and build relationships with the Neurology trainees who may be future treaters of MS patients, as well as understand current trends in the management of MS patients.	8.0	Intercontinental Sydney	56	General event sponsorship	\$7,000.00
November , 2025	Advanced Pharmacy Australia	Advanced Pharmacy Australia is the leading Hospital Pharmacist body in Australia. This sponsorship demonstrates support of AdPha in their efforts to enhance Medicines Management by providing scientific education to their health care members. Advanced Pharmacy Australia annual conference is Australia's largest scientific pharmacy conference. Themed, Medicines Management 2025, the congress provides 2 days of education. Attendees include hospital pharmacists, pharmacy technicians and associates practicing in the Australian health System. This sponsorship aligns with the brand strategy to support and engage Hospital Pharmacist to improve quality use of medicines.	14.0	Melbourne Convention & Exhibition Centre	409	General event sponsorship	\$8,090.91
November , 2025	Immunisation Coalition	Development, production and execution of a series of IC disease-specific webinars for HCPs involved in immunisation/ vaccination against infectious diseases. These webinars are updates from the previous year and have been endorsed by the IC Board, GP Education Committee and the Scientific Advisory Committee.	2.0	Virtual	409	General event sponsorship	\$1,875.00
November , 2025	Royal Australian College of General Practitioners (RACGP)	Sponsoring GP25 reflects our deep commitment to supporting General Practitioners in delivering high-quality, evidence-based care. This partnership enables us to directly engage with GPs, providing valuable resources and insights that promote the quality use of medicines and support best practice prescribing. By aligning with GP25, we help empower GPs to make informed clinical decisions, improve patient outcomes, and address key public health priorities— including vaccination coverage rates. Our sponsorship also reinforces our role as a trusted partner in primary care, working collaboratively to enhance healthcare access, reduce preventable illness, and strengthen the overall health system.	22.0	Brisbane Convention & Exhibition Centre	1370	General event sponsorship	\$16,950.00
November , 2025	Immunisation Coalition	Sponsoring this RACGP-accredited webinar aligns with Sanofi's commitment to advancing public health through evidence-based education and immunisation advocacy. The decline in DTPa vaccination rates among children under five poses a significant public health concern, with current coverage falling below the national target of 95%. This webinar will provide healthcare professionals with the latest epidemiological data, real-world evidence on vaccine safety and efficacy, and practical strategies to reverse declining immunisation trends. By supporting this initiative, Sanofi contributes to strengthening scientific literacy, promoting informed clinical practice, and reinforcing the importance of ongoing research and surveillance in paediatric immunisation.	1.0	Webinar - Online Conferencing	203	General event sponsorship	\$27,000.00
November , 2025	National Association of Diabetes Centres	The Primary Care Diabetes Conference (PBDC) Melbourne 2025, organized by the National Association of Diabetes Centres (NADC), represents an opportunity for Sanofi to strengthen our position in the diabetes care ecosystem in Australia.	8.5	PARKROYAL Melbourne Airport	80	General event Silver sponsorship	\$10,000.00

November , 2025	Australasian College of Dermatologists	This meeting brings together dermatologists across Western Australia, fostering the exchange of scientific knowledge and insights into dermatologic conditions. Hosted by the Western Australia Faculty of the Australasian College of Dermatologists, it supports the training and professional development of members at all career stages, from registrars to experienced dermatologists. These monthly meetings are a vital platform where dermatologists discuss challenging cases, share expertise, and evaluate both new and established approaches in dermatology. Sanofi's support for this scientific meeting will advance ongoing medical education in inflammatory dermatologic conditions, including atopic dermatitis.	2.0	University Club of Western Australia	30	General event sponsorship	\$5,000.00

Date of Event	Third Party Organisation Name	Description of Third Party Meeting or Symposium	Hours of Educational Content	Venue	Number of attendees	Purpose of financial support provided	Total cost (\$AUD - ex GST) of sponsorship contribution
November , 2025	The Australian & New Zealand Working Group of Cardiac Magnetic Resonance Inc	Sponsorship of the CMR workshop provides a strategic opportunity for the Fabry team to engage with cardiologists who regularly encounter undiagnosed Fabry disease patients through CMR imaging. Providing a trade display at this event will enhance disease awareness, improve early diagnosis rates and reinforce Sanofi as a committed partner in the rare disease community.	6.0	Kolling Institute	200	Genral event Bronza Sponsorship	\$5,000.00
December, 2025	The Alfred	The Alfred is a crucial account for a successful territory as they use the most amount of Optisulin in their inpatient. There is also limited access to departments and specialists. This dinner meeting also involves Endos and Advanced Trainees (ATs) from my other 3 Hospitals - Monash Hospital, The Austin and Eastern Health. This allows opportunity to not only access specialist from The Alfred, but also from the other 3 Hospitals to further increase awareness on the benefits of TOUJEO.	3.0	Mr Bianco	37	General event sponsorship	\$1,056.36
December, 2025	MS Australia	This MS Research conference is held every 2 years, and is a forum where MS Australia facilitates the exchange of scientific ideas and provides updates on research to the MS community. Our support will assist MS Australia to hold this important event.	57.0	Sofitel Brisbane Central	200	General event SILVER sponsorship	\$15,000.00
December, 2025	MS Australia	MS Australia are hosting this breakfast meeting for the Australian Consortium for EBV Research in MS. The 40 attendees, consisting of clinicians and researchers, will share research progress, international developments and collaborative opportunities for MS research. Sanofi's support for this event is an opportunity to partner with the MS Research community in Australia as we share common goals to increase our understanding of MS and deliver better outcomes for MS patients.	1.0	Sofitel Brisbane Central	20	General event sponsorship	\$2,500.00
December, 2025	SKIN HEALTH INSTITUTE INC.	The Skin Health Institute is dedicated to providing education to local, national, and international audiences in dermatology fields comprising medical, nursing, and allied health staff, and to support training the next generation of dermatologists. The event is coordinated with the Australian College of Dermatologists for the content. A specific focus will be on research being conducted within the QLD area. We want to support education and increase awareness in Fabry disease awareness and testing requirements.	2.0	La Belle Vie	20	Venue hire & AV expenses	\$3,300.00
August, 2025	University of Queensland	As part of Sanofi's strategic commitment to Queensland's biomedical ecosystem, we're proud to sponsor this dual event that bridges innovative science with practical development pathways. Our Translational Science Hub aims to nurture local talent, support groundbreaking research, and help transform promising discoveries into real-world healthcare solutions. By providing essential regulatory insights through our morning session and fostering innovation in our afternoon hackathon, we're equipping researchers with both the regulatory knowledge and creative problem-solving opportunities needed for success. This comprehensive approach—combining regulatory expertise with innovation challenges—represents our investment in Queensland's biomedical future.	5.5	Translational Research Institute	45	General event sponsorship	\$1,376.80
August, 2025	Life Sciences Queensland Limited	Sanofi is proud to sponsor this regulatory overview seminar as part of our commitment to nurturing Queensland's biomedical ecosystem. Through our Translational Science Hub, we aim to bridge the gap between groundbreaking research and market-ready solutions. By providing crucial regulatory insights, we're empowering local researchers and startups to navigate the path from discovery to commercialization more effectively. This event reflects our dedication to fostering innovation and supporting the growth of Queensland's vibrant biomedical community.	8.0	Ecosciences Precinct	112	General event sponsorship	\$10,000.00
September, 2025	The Limbic	To support medical education of relevance to neurologists, and this particular topic will enhance awareness of the newly published McDonald criteria for diagnosing multiple sclerosis.	1.5	Virtual	100	General event sponsorship	\$12,000.00
October , 2025	Westmead Sydney Respiratory Ambulatory Care	To support ongoing specialised education of respiratory healthcare professionals across NSW, including those from regional and rural areas. This comprehensive education day will enhance clinical knowledge in key respiratory conditions with particular focus on COPD management and treatment advancements, alongside Asthma, ILD, and Pneumonia. The dedicated COPD update session delivered by Dr. Vincent Yip will provide valuable insights into optimising care for this significant patient population. The educational content delivered by specialised respiratory physicians and clinical nurse consultants will support optimal patient management and appropriate use of medicines in treatment plans, especially for COPD patients.	8.5	Dept of Respiratory Medicine	65	General event sponsorship	\$2,000.00

Date of Event	Third Party Organisation Name	Description of Third Party Meeting or Symposium	Hours of Educational Content	Venue	Number of attendees	Purpose of financial support provided	Total cost (\$AUD - ex GST) of sponsorship contribution
October , 2025	Endocrine Society of Australia, Society for Reproductive Biology & Australian & New Zealand Obesity Society	ESA-SRB is a pivotal local conference that educates HCP's on the changing clinical landscape for diabetes. Support of this symposia is important as it will explore the new frontiers of the interrelated topics of obesity and diabetes. The expert lead agenda will highlight the importance of continuing diabetes management to improve patient outcomes. The target audience is Endocrinologists, nurse practitioners and other relevant HCP's. With a renewed focus on Type 1 Diabetes, this event is critical to ensuring success of the Toujeo Brand strategy.	26.0	Perth Convention and Exhibition Centre	173	General event sponsorship	\$7,000.00
October , 2025	AusBiotech Ltd	Sponsoring the Depaz Oration at AusBiotech aligns with Sanofi's commitment to driving innovation and advancing healthcare solutions, values that Dr. Iris DePaz championed throughout her career at Sanofi and TSH. By supporting this prestigious event, Sanofi reinforces its dedication to fostering collaboration within Australia's life sciences sector, while honoring Dr. DePaz's visionary leadership and her impact on improving patient outcomes. The AusBiotech International Conference provides a unique platform for Sanofi to engage with key industry leaders and contribute to shaping the future of healthcare both in Australia and globally. Supporting this event also strengthens Sanofi's role in driving progress within the biotech and life sciences community.	48.1	Melbourne Convention & Exhibition Centre	1800	General event sponsorship	\$12,000.00
October , 2025	Etherio Group Inc	The Lysosomal Disease Summit will bring together metabolic and lysosomal disease healthcare practitioners and researchers from Australia and the surrounding Asia-Pacific region, to address the current challenges facing lysosomal disease clinicians and researchers, discuss the latest research updates, and identify opportunities for improvements in the diagnosis and treatment of lysosomal diseases, particularly Fabry, Gaucher and Pompe disease. The 2025 Lysosomal Disease Summit is intended to build awareness of the incidence and prevalence of lysosomal disorders, strategize improvements to patient identification and specialist referrals, generate discussion around how to increase metabolic and lysosomal disease workforce resources, and identify steps to overcome barriers to diagnosis and treatment. In addition, the Summit will provide a forum for researchers and clinicians to share their latest findings and to discuss the challenges and opportunities in the field of lysosomal disease research and management.	17.0	Hyatt Regency	80	General event sponsorship	\$25,000.00
October , 2025	South Western Sydney Local Health District	Support of this expert-led event will provide education and training covering critical issues affecting diabetes care in Australia. It will help attendees to safely and confidently address the complex needs of people living with Type 2 diabetes. The target audience is General Practitioners and other relevant HCPs involved in chronic disease management, who are at the forefront of identifying unmet needs in people living with type 2 diabetes to deliver improved patient outcomes.	7.0	Macarthur Clinical School	58	General event sponsorship	\$3,250.00
